

Channel 4 has partnered with MyKindaFuture to launch a C4 Pop Up roadshow introducing the many roles at Channel 4 to 18+ year olds across the UK. We're running three events in London, Manchester and Glasgow in June and July 2017.

What is an Apprenticeship Pop Up?

Do you have a passion for TV and the media? Want to understand what really goes behind the scenes of the award winning, diverse programming at Channel 4? Then attend the Pop Up so we can let YOU know about the various roles at Channel 4 – thinking about Marketing? HR? Finance? Not Sure? This event will unlock your skills through challenges and will give you an insight of what a role at Channel 4 may look like.

This is a fantastic head start for the Apprenticeship Scheme offering at Channel 4 – on the day we'll give YOU practical tips on how to stand out when applications open in the Summer.

Whatever your experience and background, we want to invite you to showcase your passion for media, network with likeminded people and develop your skills!

Events are taking place across London, Manchester and Glasgow this year:

- London – 21st June 2017
- Manchester – 29th June 2017
- Glasgow – 6th July 2017
