## 1:1 Digital Learning – Home School Agreement

Monifieth High School will provide every learner with a Chromebook and a range of digital learning tools and resources to assist and enhance their learning at school and at home. The initiative is often referred to as 1:1 Digital Learning.

All pupils and parents/carers must read and understand all statements of the terms and conditions outlined below:-

	<b>Parent/Carer Agreement</b> <b>I agree to my child having the use of a Chromebook on these terms.</b> <b>I will:</b>
1.	ensure that my child cares for and respects their Chromebook.
2.	immediately report any loss or theft which happens out of school, firstly to the police and then to our School Office. An incident number should be obtained from the police.
3.	ensure that the Chromebook is used by only my child out with school hours.
4.	ensure that the Chromebook is returned if my child leaves school, or at any other time upon the request of a senior member of staff.
5.	allow the school to apply appropriate sanctions for misuse of the Chromebook.
6.	monitor my child's use of the Chromebook online at home, to ensure that only appropriate websites and services are accessed.
7.	pay a refundable responsibility charge of £15 over the next 3 years.
8.	make a contribution to repair/damage.

<b>School Agreement</b>	
<b>We will:</b>	
1.	provide all S1 learners with a Chromebook, charger and access to a range of digital learning resources.
2.	provide all learners with a range of learning opportunities which will make use of the Chromebook, both in school and at home.
3.	provide parents/carers with ongoing advice/training to help them support their child's use of their Chromebook.
4.	ensure that the Chromebook is working and that any repairs are dealt with as quickly and effectively as possible.
5.	give pupils an introduction to using and caring for the Chromebook. This will include a session on security, digital safety, maintenance and health & safety.
6.	provide wireless access to the Internet across all areas of the school site. Provision will be made after school to allow learners to complete homework/carry out research using the Internet if required. The school will not be responsible for any costs involved, nor content accessed, when the Internet is accessed out of school.
7.	regularly monitor and evaluate the use of 1:1 Digital Learning with learners and their families.
