

School vision, values and aims

We are preparing young people for success now and in the future by developing skills and values through inspiring learning and teaching in a nurturing and supportive environment.

Cycle of Improvement

Embedding session 2025/6:

- **Digital strategy** - continue roll out programme of chrome books and upskilling staff as required in Microsoft packages
- **Class Charts/ Relationships Policy** - improve consistency of use and align policies with practice
- **Raising Attainment** - improving outcomes for identified groups of learners

Exploring session 2025/6:

- **Curriculum Review** - exploring BGE and Senior Phase offers to ensure an appropriate curriculum for all pupils
- **Learning for Sustainability** - exploring opportunities and experiences within our new learning environment

Executing session 2025/6:

- **Circle Framework** - introduce key concepts and implement practices
- **L&T** - revisiting previous practices and implementing new aspects of pedagogy
- **Leadership** - improving practice at all levels through professional learning and other opportunities
